OBJECTIVE

Aspiring Software Engineer with knowledge of web development, databases, and programming, looking for an entry-level role to build scalable solutions, enhance technical expertise, and contribute to innovative projects.

EXPERIENCE

Final Year Project - Rozgaar360 (Employment Facilitation Platform) 2025-2026

- Developed a full-stack web platform connecting skilled workers with customers for local services
- Built features including user authentication, service search, booking system, real-time chat, and online payments
- Implemented role-based system (Admin, Worker, Customer) with secure JWT authentication
- Used technologies: Next.js, NestJS, MongoDB, and Socket.IO
- Designed admin dashboard for user management, worker verification, and analytics
- Focused on solving real-world employment and service accessibility challenges

TECHNICAL SKILLS

Programming: C++, JavaScript

Web Development: HTML, CSS, JavaScript

Frameworks & Tools: Next.js, Nest.JS, WordPress

Mobile Development: Flutter (Dart)

Databases: MySQL, SQL Server, MongoDB

Networking: CCNA Fundamentals, Cisco Packet Tracer

Tools: GitHub, VS Code, Microsoft Office

Concepts: OOP, Data Structures, REST APIs, SDLC

SEO: On-Page, Off-Page, Technical SEO

EDUCATION

Bachelor of Science in Software Engineering
Superior University, Pakistan

RELEVANT COURSEWORK

- Programming Fundamentals (C++)
- Object-Oriented Programming (OOP)
- Data Structures & Algorithms
- Database Systems (SQL, DB Design)
- Web Development (HTML, CSS, JavaScript)
- Software Engineering (SDLC, Agile Methodologies)
- Computer Networks (CCNA Basics)
- Operating Systems
- Software Quality Assurance (Testing)
- Mobile Application Development (Flutter)

CERTIFICATION

- [WEB DEVELOPMENT CERTIFICATION](#)
- [PYTHON CERTIFICATION](#)

SOFT SKILLS

Problem-Solving: Identifying and resolving issues efficiently.

Teamwork: Working effectively with colleagues and technical teams.

Adaptability: Quickly learning new technologies and tools.

Work Ethic: Being responsible, reliable, and professional.
